

Meet our recruitment team

What makes the AMRC Training Centre unique is that we work directly with local companies to match students with the right job and employer.

Applying for an apprenticeship?

Our recruitment team will support your apprenticeship journey from filling in your application through to helping you secure a job and starting your apprenticeship.

If at any point you have any questions about your application, you can contact any member of our recruitment team or email recruitment@amrctraining.co.uk.
